

## PYROTEC PACKMARK

Pyrotec PackMark is our machinery division that offers a comprehensive range of labelling, coding, print & apply labelling equipment and consumables. We exclusively supply the very latest hardware from international industry leaders Markem-Imaje, ALTech and Accraply Europe Ltd. as well as a selection of other brands.

**Pyrotec Finance**, a new entity in the Pyrotec PackMark stable, offers a number of options to assist customers to purchase or replace their coding equipment.

Our end-to-end service covers every step in the process of procuring new coding or labelling equipment, from project management through to after-sales technical support.

### Primary, Secondary & Tertiary coding

Pyrotec PackMark supplies coding machines for an array of industries including: food, beverage, cosmetics, toiletries, pharmaceuticals, electrical, electronics, cables, tubes, profiles, amongst others. The types of machines include: small and large character inkjets, lasers, thermal transfer coders, large character valvejets and print & apply coders.

### Labelling

Pyrotec PackMark supplies the following labelling systems: self-adhesive, print & apply, linear labelling systems, semi-automatic labellers, entry-level self-adhesive labellers, labellers for cylindrical objects and hand labellers.

### Software

Pyrotec PackMark offers a wide range of innovative software applications which are dedicated to message design and printer network control while reducing packaging costs, optimising product coding activities and meeting regulatory compliance. CoLOS® software is compatible with all Pyrotec PackMark coders. Pyrotec PackMark customise software packages to your production needs.

### Consumables

Pyrotec PackMark provides a full range of superior consumables based on sound research by chemists based at our principals. These are manufactured specially to work best with the equipment ensuring durability and long-life.

### Accessories & Spares

Pyrotec PackMark offers a comprehensive range of accessories to meet your printing and labelling needs. Decades of experience ensure that you get the best quality accessories available, ensuring optimal performance for your printers and labellers.
